Please note:

The parish Religious Formation program operates at a deficit each year. Even if **every** child were to pay the “full” tuition rate (see “HN” below) the total income would still not cover all the costs of providing the program.

Tuition codes beginning with “HP” are **discounted** rates granted to **registered** parishioners who can demonstrate an **identifiable history of supporting the parish financially throughout the year (envelope use, checks, and/or credit cards)**. Their regular support in parish collections helps to make up the deficit for their family.

Tuition codes beginning with “HN” are asked of the following families:

- * “NON-PARISHIONER” = families that maintain their **official** registration with **ANOTHER** parish and **NOT Saint Luke**

– AND/OR –

- ** “NON CONTRIBUTOR” = (See paragraph on “HP” above)
